## Compendium Amendment

### Golden Gate National Recreation Area Visitor and Resource Protection Measures

#### TITLE 36 CFR § 2.1 (b)

Compendium of designations closures, permit requirements, and other restrictions imposed under discretionary authority by the General Superintendent, Golden Gate National Recreation Area.

In accordance with regulations and the delegated authority provided in Title 36, Code of Federal Regulations, Chapter 1, Parts 1 through 7, authorized by United States Code, Title 16, Section 3, the following regulatory provisions are established for the proper management, protection, government and public use of the portions of Fort Baker, Golden Gate National Recreation Area, under the jurisdiction of the National Park Service.

#### Title 36 CFR 2.1(b) Where must I stay on the trail?

- Fort Baker
  - Battery Duncan
  - Drown Road

The purpose of this amendment is to rectify the listing of trails where visitors must stay on trail. The designations have been in previous compendiums and inadvertently left off of the 2010 Superintendent's Compendium update. These are not new designations.
